

Christmas in St. Michaels Offers Unique Mailbox Decoration

Christmas in St. Michaels is offering beautiful mailbox decorations for sale as part of its 30th anniversary community fund-raising celebration. Only 100 are being produced. Each is handmade and includes live and artificial greens, pine cones, holiday ornaments and a gorgeous red and white striped bow. Every decoration also comes with a yard sign that reads “Supporting Christmas in St. Michaels,” which allows purchasers to show their support for this charitable event. The decoration and yard sign sell for \$40. A sample will be on display at the St. Michaels Farmers Market through October 8 (open Saturdays from 8:30 to 11:30 a.m.).

People who don’t have a rural route mailbox can also purchase the decoration; it has been designed so it can be hung on a door or wall. Yard signs are available separately for \$10.

The mailbox toppers must be ordered in advance. You can request an order form by calling 410-745-0745, or you can pick one up when you stop by the St. Michaels Farmers Market (through October 8). Pre-ordered, paid decorations may be picked up from December 1 – 6 at Granite Lodge on St. Mary’s Square in St. Michaels between 10:00 a.m. and 3:00 p.m.

Christmas in St. Michaels will celebrate its 30th anniversary during the weekend of December 9 – 11. Its many festive events will provide a weekend of family fun. Visit christmasinstmichaels.org for more information.
